

Dear NFC Family,

Have you tried our new lineup of carbon fiber grips yet? We put a list together of the models in stock and available to ship immediately - but even better yet, if you buy an X-ray blank, a Gamma Alpha, Beta, or LMX Fly blank, or a Swimbait Blank at 50% OFF, we will include a set of grips at no cost!

Details:

ALL X-Ray Blanks are in Stock

ALL Swimbait Blanks are in Stock

ALL Gamma Alpha and Gamma Beta Fly blanks are in stock

The Following LMX Fly Blanks are in stock (all 4 piece - only these models are eligible)

- FAF1008, FAF1007, FAF1006, FAF1005, FAF1004, FAF9010, FAF909, FAF908, FAF907, FAF906, FAF905, FAF904

ALL OF THE GRIPS IN THE TABLE BELOW ARE IN STOCK AND ARE ELIGIBLE FOR THIS PROMOTION

- You must add a grip from the list below to cart (it will discount it \$0 when paired with an X-Ray, Fly, or Swimbait blank)
- If you are building a split grip rod, you can add two grips to cart per blank (they will also discount to \$0)
- If you are more than two grips to cart per blank - the cart will still discount to \$0, but we will only ship two grips per blank.
- For example: If you are building a casting blank - you can add a soft touch grip kit (rear grip and fighting butt, or a soft touch ips/vss kit, there are two pieces in this grip set) Or you can add a full wells grip and fighting butt per one fly blank (or half wells).
- In addition, you can add a split rear grip out of our carbon-tech line, as well as a fighting butt, or a full rear grip and a foregrip.
- You cannot add two rear grips per one blank in your cart, if you do, we will only ship one of them.
- You can use the search bar on our website to type in the grip models and quickly add them to your blank selections
 - Happy Shopping!
